## PRESS RELEASE

### CONSULTATION RE MILL ROAD BUS SHELTER

Following a recent inspection of Town Council owned assets and subsequent discussion, members would like to consult with the public as to the future of the bus shelter at the top of Mill Road (opposite the former Suffield Park Hotel).

At present the shelter is in a very poor condition with damage to the roof, it smells strongly of urine and is rarely seen to be used by people waiting for the bus. It has also been recognised as a hot spot for anti-social behaviour.

The Town Council would therefore like to ask the following questions:

Should the shelter be demolished? Yes / No

If your answer to the above question is yes:

Subject to budgetary and planning constraints, should the Town Council look into replacing the brick shelter with a modern metal/plastic shelter? Yes / No

Please send your replies to the Town Council Office by email or in writing to the address below by 31 July 2016.
