WORDS FROM MAYOR OF CROMER 2016/7

Firstly, I would like to thank my colleagues on the Town Council for electing me as Mayor for a second year. It has been a very busy and sometimes challenging year but we have seen many successes on the way. Here is a small snapshot of some of the works undertaken by the Town Council Committees.

The Planning Transportation & Environment Committee have commented upon around 100 planning applications and pursued numerous highway and open space issues.

The Promotions & Development Committee have worked with various community groups to promote the town and have hosted several events including the Christmas Celebrations and the New Year Fireworks.

The Works & General Purposes Committee have completed projects to replace the Town Council owned street lights with energy saving LEDs and to reinstate all the fallen/laid memorials at the two cemeteries. The long-awaited crematorium opened in January 2017 and the War Memorial is to be restored in time for Armistice 2018.

The Policy & Resources Committee continues to oversee staffing, finances, policies and the Council owned assets.

None of this would be possible without the hard work of my fellow councillors, officers, volunteers and the support of the community. Thank you all.

Retiring Mayor
Tim Adams

FINANCE The accounts for the year ended 31st March 2017 show a total income of £406,036 and expenditure of £340,351. The end of year accounts can be viewed in full on the Town Council website.
