

CROMER NEW YEAR'S DAY PHOTOGRAPHY COMPETITION 2022

1ST JANUARY 2022

On 1st January 2022 we will celebrate Cromer's 23rd annual Firework Display, which began in 2000.

Now in its tenth year, this photography competition is open to all **amateur** photographers. We are delighted to announce that Titanium Fireworks are sponsoring the prize.

TO ENSURE THE SAFETY OF SPECTATORS AND THE DISPLAY TEAM WE ASK THAT NO DRONES ARE FLOWN DURING THE DISPLAY. TITANIUM FIREWORKS MAY HAVE TO STOP THE DISPLAY IF DRONES ARE FLOWN IN THE AREA DURING THE DISPLAY

Prize sponsored by Titanium Fireworks

"In 2022 Titanium Fireworks would like to support the Cromer NYD Fireworks Display by offering a prize for a photography competition. The competition will be judged by a professional photographer, the firer of the show and a manager of Titanium Fireworks.

Prize – We will provide backstage access to any of our shows throughout the following year to photograph the setup and shoot from a unique angle during the show of the winner's choice.

This competition is not open to professional photographers and no images taken may be used for financial gain of the winner. You may also not enter if you have previously won the competition.

It is understood that certain projects that we work on have restricted access and while we will make every effort to permit access for the winner, the project management team (our end client) will have ultimate decision. Some elements of our setup at certain sites are commercially sensitive and as such we may ask that certain elements are not photographed".
