3. PUBLIC PARTICIPATION

There were no members of the public present.

4. BUSKER TRAIL

This meeting was called following feedback from professional buskers in respect of the proposed Busker Trail. It was noted that expressions of interest had been received from 6 or 7 people who would like to participate but others felt that buskers should be paid to attend.

Following discussion, it was agreed that much had been learnt and that perhaps a busker trail could be held in the summer months instead of December. It was suggested that the volunteers who help at the event often working for up to 12 hours should have free access to refreshments.

Janet and Jilly will provide tea, coffee etc at the Community Centre so that all the volunteers can pop in to make warming drinks during the day.

It was **AGREED** to cancel the Busker Trail for this year but stressed that the committee cannot be held responsible for any buskers who may turn up.

It was **AGREED** to issue a press release to make it clear that the organisers of this and many other events in the town are unpaid volunteers.

There being no further business, the committee chairman closed the meeting
