

WW2 Commemorations

03—05 June 2022

Due to Covid-19, the events scheduled to commemorate VE Day 75, VJ Day 75 and Battle of Britain Day 80 were postponed but will now be held over the weekend of 03 to 05 June 2022.

There will be a display of a cascade of ceramic poppies in Cromer Churchyard which have all been handmade by a team of volunteers. The poppies can still be purchased and will be available for collection once the display is dismantled in mid June.
