

Community & Economic Development Committee

Terms of Reference

1. Committee Objective:

To enable the community of Cromer to participate in the functioning of Cromer Town Council and help to make Cromer a prosperous place to live, work and relax.

2. The functions of the Committee:

Community Involvement. To provide residents of Cromer information so they can consider becoming a Town Councillor via election or co-option.

To encourage young people to take an active interest in their community and getting involved in local democracy.

Community Engagement and Consultations. Undertake consultations or surveys to enable the Town Council to have better knowledge local resident aspirations.

To act in an advisory capacity to Cromer Town Council on matters of business retention, growth and expansion by promoting a positive business climate, thereby fostering new industry, employment opportunities and well paid employment.

Provide recommendations to enhance future growth and prosperity in Cromer.

To foster relationships between Cromer Town Council and Cromer Chamber of trade.

To promote Cromer as a Fairtrade Town.

To consider new projects from proof of concept, financial viability and practical implementation.

3. Task and Finish Groups:

Community and Economic committee will establish Task and Finish groups to undertake a project over a defined period of time and will report back with recommendations. There should be at least two members of the group.

4. Committee Membership:

Chairman and Vice-Chairman (Council Members) and at least 3 other appointed members from Council. The Mayor and Deputy Mayor are also members of the Committee.
